

My Hands

A Social Story

I can use my hands for waving

But not for hitting!

because hitting hurts friends

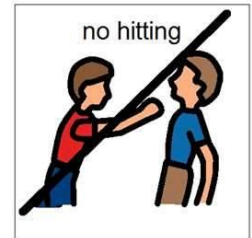

And makes them sad.

I can use my hands for writing

But not for hitting!

because hitting hurts friends

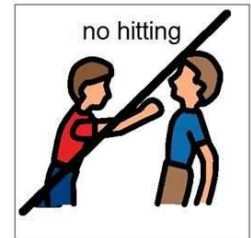

And makes them scared.

I can use my hands for clapping

But not for hitting!

because hitting hurts friends

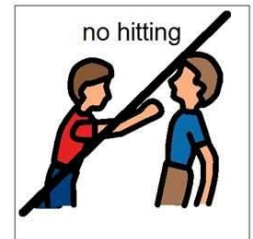

And makes them sore

I can use my hands for eating

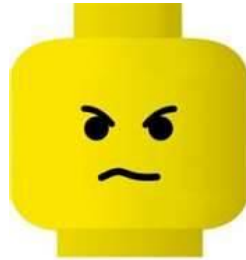

But not for hitting!

because hitting hurts friends

And makes them angry!

If I use my hands for

waving

writing

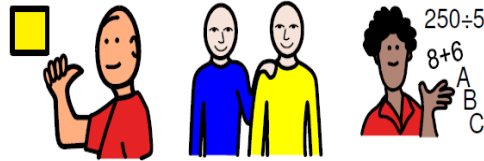

clapping

eating

My friends, teachers and

I will be happy.
