

# RECEPTION AUTUMN 2021 THEME: Magnificent Me

In Reception we will be exploring our families, ourselves, feelings and what makes us different, including; race, culture and religion. We will also be exploring different homes through the story 'The Three Little Pigs'.

The journey will begin with our stunning start day where children will bring in family photos from home to share and talk about with their class. This will give children the opportunity to develop their speaking and listening skills which is one of our main focuses throughout Reception.

We are changing the way we showcase our themes, so pop back at the end of Autumn term to see our end-of-theme celebration work.
