Life Skills Training (Road Safety Walk)

Our story

As a part of the essential Life Skills Training in the school Year 4 Students were taken out of the school for a Road Safety Walk. During the walk the Teachers told the students about the environmental and health benefits of walking to school.

They were also guided about how to cross the road safely at each of the different crossing points on the journey, how to navigate using key landmarks, how to be aware of problems on the route to school, how to cross by the school gates and how to gain independence and confidence by walking on their own. Students enjoyed and earned necessary skills during the walk.
